From The Principal

The end of Term 1 is upon us already and it is great to report back to you all the wonderful things that have been going on at Southport State High School. Our Creative Arts students and staff have had a very busy term with workshops, days of excellence and nights showcasing their wonderful talents. Students have participated in school sport and Swimming Carnivals and have achieved some amazing results. During full school assemblies, ceremonies we have celebrated student achievement and Senior School Leadership. On my visits to classrooms, students have been thoroughly engaged in their programs of learning and all faculties have been busy with their explicit teaching of learning intentions and success criteria. It has been pleasing to see our Homework Centre being well utilised on Monday and Thursday afternoons by students wanting extra support from teachers.

Term 1 school reports were issued to parents at the end of last week via email or post. I challenge all students to reflect on their performance as shown on their interim report and commit to a personal performance improvement plan in the lead up to the end of the Semester 1. A student can only improve if they know where they are positioned with their results, make a plan and a commitment to improve academic performance.

We have dedicated and committed teachers who ensure that all students are given the best opportunity and support to achieve their academic goals. Parent-Teacher-Student Interviews will be held in the Sports Centre on Wednesday 30th April from 2:15-7:15pm. To book interviews please access the PTO site via our school website. I encourage you all to attend these meetings as they provide much needed explicit feedback for both students and parents on the student’s performance.

Our ‘Smart Choice’ Open Afternoon was held last week and with an exceptional turn out of over 600 primary school students and their families. The feedback was wonderful with compliments to our staff on the amazing support, teaching, learning and facilities that we have here at Southport State High School. Well done to staff and students on a fantastic job showcasing our school. Enrolments are now being taken for Years 7 and 8 for 2015. Applications are also available for our Programs of Excellence – Academic, Creative Arts and Sports.

These applications and information regarding our Excellence Programs are available on the school website, with the closing date of April 25th.

With winter approaching I urge all parents/carers to ensure that their student has the appropriate winter uniform. Our expectations regarding personal appearance are very high and the wearing of non-uniform attire not only detracts from our school image but also presents a safety issue as we are unable to clearly and quickly identify outsiders on our school grounds. We have also nearly finalised our new senior uniform for 2015. Thank you to all parents, students and staff who have contributed to the new uniform. From 2015 all students in Years 10 and 11 will be required to wear the new formal uniform each day. The sports uniform may only be worn on a Tuesday for full school sport. Students who choose to do HPE or Recreation Studies as an elective will need to change into their sport uniform for their class and then change back into their formal day uniform after this lesson. A comprehensive letter outlining our new policy will be sent to all students and their families very soon in order to have time to prepare for the change for the 2015 school year.

The P&C held its Annual General Meeting last month and I am pleased to announce the Executive Committee for 2014. Sam Cronin was elected as President, Leanne Williams as Vice-President, Bianca Mandalios as Treasurer and Carolyn Swan as Secretary. Sincere thanks to those wonderful people for volunteering their time to ensure that our school continues to provide the best opportunities for all our students and that our parent community has a voice in our school.
I hope that everyone has a safe and relaxing holiday and that you get to spend some quality time with your loved ones. School resumes for all year levels on Tuesday 22nd April. Week 1 is a short three day week with Easter Monday and ANZAC Day on the Friday. Normal classes resume from day 1 so students are expected to attend, as every day counts. I look forward to sharing an exciting Term 2 with you. Dates and events for Term 2 can be found on our school App and also on our school website.

Mr Steve McLuckie
Principal

From the Deputy Principal
STUDENT GUIDE 2014
A revised version of our Student Guide for 2014 is available on our website. It contains lots of information for students and parents ranging from school personnel, Support Services, bell times, uniforms, FAQs and a map of the school. Students have been advised of this information and school policies, but the document provides a great reference and answers to a lot of questions. If there is something you suggest may be added to this information, please email me rmarc2@eq.edu.au and we will consider your suggestion.

Mrs Robyn Marconi
Deputy Principal

Parent-Teacher-Student Interviews
Parent-Teacher-Student interviews will be held on Wednesday 30th April from 2:15-7:15pm in the Sports Centre. Parents are encouraged to make the time to meet with teachers to strengthen the valuable partnership between home and school. The interviews provide a good opportunity to discuss Term 1 report cards and to discuss specific strategies to help students improve their performance. It is essential to book your interview times and these can be made any time from 9am Monday 31st March up until midday Tuesday 29th April via the online PTO booking system https://bookings.parentteacheronline.com.au/?school=K8u39. The PTO link is also available on our school website.

iPads in Junior School
Junior school students are using iPads across a wide range of curriculum areas to access iTunes U courses that have been set up by their teachers. iTunes U courses are similar to virtual classrooms. When students enrol in a course and they are presented with an outline of the work for the term, detailed study materials, quizzes, links to online resources, suggested Apps that complement the study material, and extension materials for further study. Teachers are regularly updating iTunes U courses and creating additional courses to enhance the range and variety of learning opportunities for students.

One of the most important aspects of your child’s preparation for learning with iPads is to ensure that all course materials and suggested Apps have been downloaded before they attend class. After enrolling in an iTunes U course students should go to the Materials tab within each course and download all Apps and documents that are needed for the course.

We request that you work with your student to ensure they have checked each of their iTunes U courses and downloaded the Apps and materials. Also, although not as critical, we recommend that students check for any other App and iOS updates and download them at home. This can be done once a week and a good time to do this would be over the weekend but certainly prior to the commencement of each school day.

Completing these preparation steps will ensure students are better prepared for each lesson. Coming to class with Apps and materials already downloaded avoids disruptions to valuable learning time and improves students’ ability to fully engage in the classroom activities.

Mr Geoff Hodskiss
IT Manager

Open Afternoon Report
On Wednesday 26th March Southport State High School presented its annual Open Afternoon, allowing families to come and see the programs our school has to offer. The line to register stretched from the registration desk inside the Enterprise Centre all the way past the tennis courts in Lionel Avenue. Teachers from the school came to help and meet some of our future students. Science teacher, Mr Kayahan said, “The Open Afternoon is an opportunity for the school to showcase its best teaching and learning practices.” Student leaders came to help out in any way they could. Leaders could be found greeting families and helping them find their way around or helping their teachers set up and pack away equipment. Kiki, a drama student helped Mr Anderson by working backstage as Drama Excellence students practiced their new play, ‘Medea’. Kiki stated, "The play Medea was a great success". Different displays were set up around the

Great state. Great opportunity.
school such as - Sport Excellence, Academic Excellence, Arts Excellence, main subject areas and circus classes, as well as a speech from the Principal, Mr McLuckie in the Discovery Centre Auditorium. Here a line of eager parents could be found waiting outside to hear from him. A Year 12 catering team cooked and served a variety of snacks and the Mad Dogz team lead the way providing hot dogs, drinks, meatballs, mini pies and more. All in all the Open Afternoon was a great success, giving more than enough reasons for students to join the best school on the Gold Coast.

Autumn Pearce
Year 9A Student

Gone Walkabout

Watch this space, each fortnight we will keep you up-to-date with important information and dates, as well as some fun facts and knowledge.

Reminder: Year 12 students please return your Titans 4 Tomorrow participation forms to Vicki in F13.

Dates for Term 2
Week 4 – Friday 16th May - Black & Deadly Girls Program
Week 5 – Friday 23rd May - AIME
Week 6/7 – Sorry Day 26th May, Reconciliation Week begins 27th May, and Mabo Day 3rd June

Deadly Words
Each fortnight we will add new words to our vocabulary. These words come from our local Aboriginal Yugambeh Language. Try using these words with your friends or at home.

Mi (pronounced Me) - Eye
Gibumm (pronounced Gib-um) – Moon

Did you know – The Titans 4 Tomorrow program focuses on the school to work or further education transition for our year 12 indigenous students. In the past we have had much success with the program with students picking up training, apprenticeships and enrolment into tertiary education.

To check out the Titans 4 Tomorrow promotional video filmed at our school featuring Titans players and our students go to https://www.youtube.com/watch?v=5euu6-MklfU&list=UUn0fmXmf9mojsNUYR3PXavA

As the Indigenous Education Worker (IEW) I can provide support to Aboriginal and Torres Strait Islander students across a range of issues. I am available in the school Mondays, Tuesdays and alternate Fridays in F13. Ms Maddie Hodge is also available in the school on Fridays in F13.

Quicksilver Pro Excursion
On Wednesday 5th March around 30 students from Year 12 Social and Community Studies and Tourism classes travelled to Coolangatta to view the Quicksilver Pro. This term students in these classes have been studying event management, and utilised this great opportunity to view a major Gold Coast event and see firsthand its beneficial impact on the local community. Perfect weather, though sadly small swell, greeted students upon arrival at Rainbow Bay, with heats of the contest on hold. Despite this all attending students enjoyed the experience and were able to comprehend both the difficult logistical issues in creating and running this annual event and its positive impact on the Gold Coast tourism industry and local businesses.

Mr Callum James
Teacher

Trip to the Museum – 7D & 7F
On the 12th March classes 7D and 7F travelled to the Queensland Museum and had a brilliant time. We explored primary and secondary sources, dinosaur bones and stick insect droppings. The students had an absolute blast!

Here are some testimonials from our students.

“The recent 7D and 7F excursion to the Brisbane Museum has to be one of the best days with a school, ever! From the moment we walked in, to the moment we walked out, our iPad’s were clicking away taking hundreds of photographs. Whether it was the enormous dinosaur skeletons, or the underwater beach scene, we were always intrigued and amazed no matter what we were looking at. The dinosaur skeletons were amazing whether it be the giant Tyrannosaurus Rex skeleton, the Pterodactyls hanging from the ceiling or the giant leg of one of the biggest dinosaurs ever (with a toe bone the size of someone’s leg!) Believe it or not, even watching the stick insects mating and picking out their eggs from their droppings was fun. From the extremely realistic underwater scenes, to the ANZAC memorabilia, or even the carnivorous kangaroos, there is something in the Brisbane Museum for everyone!”

Mitchell.B 7F

Mitchell.B 7F
“We visited an exhibition called, ‘The Curators of Cool,’ which I found very interesting. There was this bracelet called Beautiful Beads which were made in the 1800’s and were used as a symbol representing thanks. In this room there were more things such as the old lifeguard uniforms and Buddhas in a big glass window. There were also lots of interactive buttons, so of course I pressed all of them and I learnt a fair bit just from pressing two or three buttons.”

Emily, P 7D

“We explored a few primary sources and some secondary sources and had to write a paragraph about one of the primary sources that stuck out at us for each of the places we visited. I assumed one of the most overwhelming artefacts were the huge skeleton of the Muttaburrasaurus Langani. I also found out that the survivors of the event that wiped out all of the dinosaurs were lizards, snakes, frogs and crocodiles!”

Year 7 Teachers

T.A.G You’re It!

Year 9 students were fortunate enough to have a very enthusiastic speaker from Juice 107.3 T.A.G (Timely Acts of Generosity) You’re It! schools program come in and speak to them about generosity and the concept of paying it forward. Their vision is to see heads turned, hearts won and thousands of lives turned around towards a brighter future. Speaker Az Hamilton shared his heart-warming stories of travelling as well as being confronted with challenging situations, concluding that it is the generosity of people just like our school kids, that continues to change lives in a remarkable way.

Students were invited to partner with Juice 107.3 and were given cards which they could then activate and record their gestures of generosity online.

Talking to a few Year 9 students after the presentation it was evident how much of an impact the T.A.G You’re It! team had on them. They expressed that they realise how lucky they are to live in Australia, have food and water, and be involved in such great education.

All in all, it was a fantastic and very engaging afternoon!

Junior Leaders

It’s the end of the term and assessments are finished and school reports have been issued but the school has been a very active place with events such as the Easter raffle. The Year 9 and 10 Junior Leadership Team students set out to make one lucky student or staff member a happy bunny by selling tickets during lunch breaks. Congratulations to teacher Mr Webster on winning the huge basket full of chocolate eggs and bunnies! All the money raised will go towards the T.A.G You’re It program for the Year 9’s. The T.A.G You’re It program is about helping others. T.A.G stands for ‘Timely Acts of Generosity’. An example of a generous act is buying an ice-cream for a stranger or mowing your elderly neighbour’s lawns. All you have to do is give the person you help a T.A.G You’re It card and tell them to pass the card and an act of kindness on to someone else. The cards can be activated online and there you can see where your card ends up. Many have passed through the hands of people all over the world! ‘When a man acts generously, everyone in the community benefits’, is a motto that not only T.A.G You’re It stands by but also the Junior Leadership program. Hopefully this motto will shine through not just from the Junior Leadership program but the whole school as we work together to make this year an amazing year!

Celebration of Literature

On Thursday 20th March a group of 48 students from the Year 8 ACE classes joined a number of other Gold Coast schools to participate in the annual Somerset College Celebration of Literature. An assortment of authors attended the festival and we were lucky enough to attend lectures with Danny Katz and Shamini Flint. The authors had us in stitches with their anecdotes about finding writing inspiration, their interesting journeys to becoming authors and even a group story writing session complete with a student illustrator! Both Katz and Flint gave us great tips on how we can improve our writing, especially interesting and humorous ways to find inspiration in our everyday lives!

Ms McLaren-Hall, Mr Johnson and Ms Shaw accompanied us to the Festival – and this year we were even lucky enough to be sponsored by Somerset College (meaning our school travelled and attended the event free of charge). In between lectures, we participated in a figurative language scavenger hunt around the campus, where the winning teams took home copies of signed Danny Katz books. There were many other activities to entertain us, such as the Writer’s Wall where we shared our tips on the lectures, book signings with
our favourite teen fiction authors, food stalls and a bookshop. All students agree it was a fantastic day and we highly recommend the Somerset College Celebration of Literature as an annual excursion!

Big Achievements in the Junior Secondary School

At the Gold Coast High School Chess Championships this term Year 8 student Kabilan Cholan went along of his own accord to represent Southport State High School. While most schools had teams of players, we were represented only by Kabilan, who achieved an individual 3rd place overall out of 54 players. Congratulations to Kabilan who received a certificate on parade for his achievements.

If there are any other chess wizards in our school community that would like to join Kabilan in the next tournament, or perhaps you would just like to be involved in a school-based chess club, please come and see me in the Synergy staffroom.

Miss Ky Hinselwood
Dean of Special Programs – Junior Secondary

Health & Wellbeing Surveys

As part of our Learning & Wellbeing Framework we ran surveys with Yr 8 and Yr 11 students on 1st April. The survey developed by Mind Matters was sent to all staff and family members & caregivers of those year levels. The survey will provide us, and only us, with valuable data to identify issues and discuss solutions. If you received an email to do the survey and completed it we thank you for your assistance.

Japanese News

In one of our recent lessons some of the class was on an excursion so we decided to learn some tongue twisters (hayakuchi kotoba). Japanese tongue twisters are not meant to have any deep meaning, they just sound funny. Here is some you should try:

Sumomo mo momo mo momo no uchi
Which means: plums and also peaches are both in the peach family.

Nama mugi, Nama gome, nama tamago
Which means: raw wheat, raw rice and raw egg.

Aka-pajama, ao-pajama, ki-pajama
Which means: red pajamas, blue pajamas, yellow pajamas.

We found many more on the internet which were funny and some were hard to say.

U13 BOYS BASKETBALL

All four teams put in strong performances during Round 3. Team 1 remains unbeaten after six games and are top of the ladder. The team had to work extremely hard in both games on the last sport day with Varsity A and Southport 2 competing well in the first halves of the respective games. Southport 1 just proved too strong and dominated in the 2nd halves. Excellent performances from Damon Nirazuka and Kye Kuncoro ensured the team victories.

Team 2 showed great determination and worked hard in both their games. Toby Harold Evans and Bank Morakot were instrumental in the team’s success shooting a number of 3 pointers; they definitely gave Team 1 a lesson on how to shoot!

Teams 3 & 4 have improved every week and are playing better as a team unit and scoring a lot more points. Ethan Matthews deserves a special mention for his excellent motivational skills which is much appreciated by his team. Kobe Bulan put in a fantastic performance for Team 4.

Well done to all boys involved. Special thanks to all the students who continually volunteer to referee and score games.

Ms Elaine Whybrow
Coach

ATHLETICS ACHIEVEMENT

Congratulations to Year 9 student Keirra Lesa who competed recently at the State Little Athletics Titles held in Cairns. Keirra had a great weekend coming first in high jump, triple jump and hurdles and third in long jump. She was also named in the Queensland team to compete at Nationals in Melbourne in May. We are very proud of Keirra’s achievements.

Mr Tom Vieyra
Sports Teacher

INTERHOUSE SWIM CARNIVAL REPORT 2014

Congratulations to the Karragarra Dragons who were runaway winners of the Southport State High School Swimming Carnival for 2014. All four houses were closely placed at the end of the Freestyle and Breaststroke events; however Karragarra surged clear due to their high participation numbers in the more challenging Backstroke and Butterfly events. Well done to Karragarra, it was a true team victory. Thank you to the teachers who helped run the event and also to the House Captains who did a great job assisting and being encouraging role models.

2014 Swimming Record Breakers:-

- Annabel Nipperess broke the record for 12 Years Girls 50m Freestyle (34.10)
- Holly Young broke the records for 12 Years 50m Backstroke (39.90) and 25m Butterfly (16.28)
- Lauren Hill broke the record for 12 Years Girls 50m Breaststroke (45.33)
- Matthew Major broke the record for 13 Years Boys 25m Butterfly (14.55)
- Te Rahui Pene broke the records for 12 Years Boys 50m Freestyle (33.42) and 25m Butterfly (17.25)
- Jennifer Masters broke the record for the 16 Girls 25m Butterfly (15.17)
- Kai Edwards broke the records for 16 Years Boys 50m Backstroke (30.36) and 200m Individual Medley (2.16.65)
