## Application to enrol in a Queensland state school

**This sheet contains information on how to complete the Application for student enrolment form (SEF-1 Version 8).**

### Entitlement to enrolment

Under the *Education (General Provisions) Act 2006 (Qld)* a state school must enrol a prospective student if they are entitled to enrolment. While not exhaustive, the following matters may affect a prospective student's entitlement to enrol in a state school:

- if the school has a School Enrolment Management Plan or an Enrolment Eligibility Plan (enrolment is subject to eligibility under the plan)
- the applicant is a prospective mature age student (the applicant can only apply for enrolment at a mature age state school and will be subject to a satisfactory criminal history check, or as a student in a program of distance education. All prospective mature age students must have a remaining allocation of state education.)
- the prospective student is not of correct age for enrolment (relates to Preparatory Year and Years 1 to 6)
- the prospective student has been excluded, or is subject to suspension from a state school at the time of the application
- the school principal reasonably believes that the prospective student presents an unacceptable risk to the safety or wellbeing of members of the school community (application is referred to the Director-General)
- the school is a state special school and the prospective student does not meet the criteria for enrolment in a special school
- the proposed enrolment requires approval as part of a flexible arrangement under s.183 of the *Education (General Provisions) Act 2006 (Qld)*, and the arrangement has not yet been approved
- the prospective student is not an Australian resident or citizen or the child of an Australian permanent resident or citizen (visa restrictions may apply, fees may be charged, in some cases legislation requires that the prospective student must obtain approval from the Chief Executive via Education Queensland International (EQI) to enrol)
- the school does not offer the year level that the prospective student should be enrolled in
- the prospective student has no remaining semester allocation of state education. Enrolment cannot proceed until additional semesters are applied for by the prospective student (or parent on their behalf) and granted.

### Prospective student

A prospective student is a person who has applied to enrol at a state school but who has not yet been accepted for enrolment.

### Parent's occupation and education

All parents across Australia, no matter which school their child attends, are asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

### Court Orders

Any court orders concerning the prospective student's welfare, safety or parenting arrangements should be provided to the school, and the school should also be provided with any new or updated orders.

### Name on enrolment form

A prospective student should be enrolled under their legal name as per their birth certificate. There is provision to also record a preferred family and/or given name. The preferred name will be used on internal school documents such as class rolls. The legal name will appear on semester reports unless there is a specific request to use the preferred name only. This request can come from parents/carers or the student (if the student is independent/mature age).

### Gender

Information about gender is supplied to the Federal Government to comply with State funding agreements. The gender category with which a person identifies may not match the sex they were assigned at birth. There is no requirement for a student's gender recorded on this form to align with the sex shown on their birth certificate or passport.

### Religious Instruction

Religious instruction is a program approved and provided by a religious denomination or religious society. ### **Student Resource Scheme - 2026 Parent Information**

The Principal and the Parents & Citizens Association of Southport State High Independent Public School are proud to be able to extend to you the opportunity to take advantage of the Student Resource Scheme.

This letter contains important information about the 2026 Student Resource Scheme, including how the scheme operates and the annual participation fee.

The purpose of the Student Resource Scheme provides parents/carers with a cost-effective alternative to purchasing textbooks and/or resources elsewhere.

#### **What is provided by the Queensland Government?**

The Queensland Government supports students' education by providing funding for:

- Instruction by teachers
- Facilities (school grounds, building, amenities, furniture, air-conditioning)
- Administration – staffing and resources to administer the operations of the school

Funding for schools does not extend to individual student resources such as textbooks, equipment for personal use, and many items used by the student in the classroom. Supply of these items is the responsibility of parents/carers.

The scheme ensures that students have the resources required for them to engage with the curriculum for their education, and saves parents/carers time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme.

The Student Resource Scheme is a cost-effective option for parents/carers to purchase the required items for their child's schooling.

The cost of not participating in the Student Resource Scheme can vary (starting at approximately \$500), depending on the elective subjects chosen. Please see our 2026 Resource List on the school's website.

#### **The scheme will supply students with access to:**

- School bucket hat for Year 7 only [Replacement Bucket Hat cost is \$15].
- Textbook hire for each subject.
- Class sets of general reading books including prescribed novels.
- Equipment hire – digital camera and audio visual equipment, including a wide range of industry standard software.
- Use of equipment, consumable materials and photocopies for a range of subjects across all year levels.
- Printed worksheets/handout/notes and equipment prepared by teachers.
- Software site licenses for school and home use.
- Materials for subjects where the instruction is extended through providing practical learning expenses in excess of materials provided by school grants.

#### **The following items are NOT covered by the Student Resource Scheme:**

- Laptops and iPads
- Stationery
- Year Book
- School Photos
- Excellence Program levies
- Subject levies
- Activities and non-curricular events, for example excursions, camps, sport, Formals and Year 12 Jersey.

Individual payments are to be made for these activities when they occur.

**Student Resource Scheme Fees are \$400 for all year levels (to be paid by 26 February 2026).**

### Payment Arrangement

Several payment options including a single payment for the full year's fee or term instalments are available. An instalment plan can also be negotiated with the school. Please contact Finance on 5509 1222.

# Student Resource Scheme - Participation Agreement Form

## The Student Resource Scheme

The Student Resource Scheme (SRS) is a user-charging scheme operated by schools to provide parents with a mechanism to access individual student resources that are not funded by the government.

Government funding for schools does not extend to individual student resources and equipment for their personal use or consumption. Supply of these items, such as textbooks and personal laptops/iPads, is the responsibility of the parent.

The objective of the scheme is to provide parents a convenient and cost-effective alternative to individual supply of resources for their students. Participation in the SRS is optional, and no obligation is placed on a parent to participate.

Terms and conditions for participating in the scheme are provided on the reverse side of the form. Information is also provided on the Textbook and Resource Allowance (TRA) where applicable.

This Participation Agreement Form applies for the duration of a student's enrolment at the school, however parents who are participating in the scheme can choose to opt out from the SRS in future years by completing a new Participation Agreement Form. Any new Participation Agreement Form submitted annually and received by the school will supersede the previous form lodged.

Parents pay the annual participation fee in accordance with the selected payment arrangement. If a student joins the school mid-year, a pro-rata participation fee may apply.

Parents not participating in the scheme must provide their student with all items that would otherwise be provided by the scheme as detailed in the information provided by the school. Parents can choose to join the SRS in future years by completing a new Participation Agreement Form.

To assist schools in managing and administering the scheme, parents are requested to complete the Participation section of this form and return it to the school.

If parents have not completed and returned the form before the due date indicated by the school in the SRS Annual Parent Information documents, the school will take the view that the parent does not wish to participate.

## Payment

On agreeing to participate in the SRS, a parent agrees to pay the participation fee as advised and invoiced by the school. For families experiencing financial hardship, please contact the school as soon as possible to discuss options available.

## Participation

**YES, I wish to participate in the Student Resource Scheme.** I have read and understand the Terms and Conditions of the scheme (see reverse) and agree to abide by them and to pay the annual participation fee in accordance with the selected payment arrangement. I understand that I can opt out of participation in the SRS in any year by completing a new Participation Agreement Form.

**NO, I have read the terms and conditions and I do not wish to participate in the Student Resource Scheme.** I understand I must provide my child with all items that would otherwise be provided by the SRS as detailed in the information provided by the school. I understand that I can choose to join the SRS in future years by completing a new Participation Agreement Form.

3. Parents are directly responsible for providing textbooks and other personal resources for their children while attending school.
4. The SRS enables a parent to enter into an agreement with the school to provide the resources as advised by the school for a specified annual participation fee.

## Participation in the SRS

5. Participation in the SRS is optional and parents are under no obligation to participate.
6. The school will provide parents with a list of resources supplied by the SRS to enable parents to assess the cost effectiveness of participation.

8. Parents must complete and sign the Participation Agreement Form and return it to the school by the advertised date.
9. This agreement is for the duration of the student’s enrolment at the school, unless a new Participation Agreement Form is completed.
10. Parents are given the option annually to choose whether to participate in the SRS or not by completing this form.
11. Where a parent signs up to participate in the SRS they are agreeing to pay the annual participation fee for the items provided by the SRS.
12. Payment of the participation fee implies acceptance of the SRS including the Terms and Conditions irrespective of whether or not the signed form has been returned.
13. Where a student starts at the school during the school year, the parent may be entitled to pay a pro-rata participation fee to participate based on a 40-week school year.
14. Where a participation fee has been paid and a student leaves the school during the year, the school must determine if the parent is eligible for a pro-rata refund. This will also take into account any pro-rata of the Textbook and Resource Allowance (TRA) (see Additional Information regarding TRA eligibility) and any outstanding SRS debts (including any debts from damaged or non-returned items). Where the cost of outstanding debts is higher than the calculated refund, the parent is liable to pay this balance of funds.

17. All items included in the SRS must be able to be independently sourced, purchased and supplied by parents who choose not to participate in the SRS.
18. As the SRS operates for the benefit of participating parents and is funded from participation fees, SRS resources will not be issued to students whose parents choose not to participate in the SRS.

## The Resources

19. SRS funds received by the school will only be expended on student resources outlined in the school’s SRS and will not be expended on other items or used to raise funds for other purposes.
20. In return for payment of the participation fee, the SRS will provide the participating student with the entire package of resources for the specified participation fee. It is not available in parts unless specifically provided for by the school in the fee structure.
21. The resources, as determined and advised by the school may be:
  - retained by the student and used at their discretion; or

22. All SRS resources hired to a student for their temporary use remain the property of the school. The resources must be returned by the agreed date or if the student leaves the school.
23. Parents are responsible for ensuring that any hired SRS resources provided for their child’s temporary use are kept in good condition.
24. The school administration office must be notified immediately of the loss or damage to any hired item.
25. Where a hired item is lost, not returned, or damaged, parents will be responsible for payment to the school of the value of the item or its repair.
26. The replacement cost of any resource may be up to the maximum value (subject to depreciation where appropriate) of the acquisition cost to the school.
27. Parents may be responsible for supplying their child with other resources not specified in the SRS as advised by the school.

## State School Consent Form

### Introduction to the State School Consent Form for Southport State High School

This letter is to inform you about how we will use your child's personal information and student materials. It outlines:

- what information we record
- how we will use student materials created during your child's enrolment.

Examples of personal information which may be used and disclosed (subject to consent) include part of a person's name, image/photograph, voice/video recording or year level.

Your child's student materials:

- are created by your child whether as an individual or part of a team
- may identify each person who contributed to the creation
- may represent Indigenous knowledge or culture.

### Purpose of the consent

It is the school's usual practice to take photographs or record images of students and occasionally to publish limited personal information and student materials for the purpose of celebrating student achievement and promoting the school and more broadly celebrating Queensland education.

To achieve this, the school may use newsletters, its website, traditional media, social media or other new media as listed in the 'Media Sources' section below.

The State School Consent Form may, at your discretion, provide consent for personal information and a licence for the student materials to be published online or in other public forums. It also allows your child's personal information and student materials to be presented in part or alongside other students' achievements.

The school needs to receive consent in writing before it uses or discloses your child's personal information or student materials in a public forum. The attached form is a record of the consent provided.

It should be noted that in some instances the school may be required by the *Education (General Provisions) Act 2006* (Qld) or by law to record, use or disclose the student's personal information or materials without consent (e.g. assessment of student materials does not require further consent).

### Voluntary

There will not be any negative repercussions for not completing the State School Consent Form or for giving limited consent. All students will continue to receive their education regardless of whether consent is given or not.

### Consent may be limited or withdrawn

Consent may be limited or withdrawn at any time by you.

If you wish to limit or withdraw consent please notify the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address.

If in doubt, the school may treat a notice to limit consent as a comprehensive withdrawal of consent until the limit is clarified to the school's satisfaction.

Due to the nature of the internet and social media (which distributes and copies information), it may not be possible for all copies of information (including images of student materials) once published by consent, to be deleted or restricted from use.

The school may take down content that is under its direct control, however, published information and materials cannot be deleted and the school is under no obligation to communicate changes to consent with other entities/ third parties.

to use, record or disclose copyright material, image, recording, name or personal information

## Enrolment Agreement – State School

Dear Parents, Guardians and Students,

Welcome to Southport State High Independent Public School, a centre for secondary education that is focused on **Personal Excellence** for all students.

Our school has a proud tradition of being a supportive and caring community that delivers outstanding educational training and opportunities for all students. By choosing our school for your child's educational needs, we believe you have invested in the 'Smart Choice'.

Our engaging curriculum and dedicated staff have created a teaching and learning environment where each student will not only be supported to achieve the highest levels of success of which they are capable, but will also be encouraged to be responsible, thoughtful, honest, respectful and confident.

Being a member of our school community, we have defined policies and procedures that all students must adhere to at all times. Four values govern our school: Teaching and Learning, Ourselves, Responsible Relationships and Our Community.

This enrolment agreement sets out the responsibilities of the student, parents or carers and the school staff about the education of students enrolled at Southport State High Independent Public School.

### **Responsibility of parents/carers:**

- Attend open evenings for parents
- Let the school know if there are any problems that may affect your child's ability to learn
- Inform school of reason for any absence
- Treat school staff with respect and tolerance
- Support the authority and discipline of the school, enabling your child to achieve maturity, self-discipline and self-control
- Support school-based disciplinary decisions in accordance with policy
- Abide by school's policy regarding access to school grounds before, during and after school hours
- Advise Principal if your child is in the care of the State or you are the carer of a child in the care of the State
- Inform school if your child's living arrangements change and provide details of new home address and phone number
- Ensure all address, contact details and emergency contacts are up-to-date at all times

### **Responsibility of school:**

- Develop each individual student's talent as fully as possible
- Inform parents and carers regularly of their child's progression
- Inform students, parents and carers about what the teachers aim to teach the students each term
- Teach effectively and set the highest standards in work and behaviour
- Take reasonable steps to ensure the safety, happiness and self-confidence of all students
- Be open and welcoming at all reasonable times and offer opportunities for parents and carers to become involved in the school community

**Responsibility of student:**

- Work hard and comply with requests or directions from school staff
- Abide by school rules, meet homework and assessment requirements/due dates and wear school's uniform appropriately
- Respect the school environment

I accept the rules and regulations of Southport State High Independent Public School, as stated in the school policies that have been provided to me as follows:

- Responsible Behaviour Plan for Students
- School Uniform Policy
- School Resource Hire Scheme
- Information Technology Agreement
- Attendance Policy
- Complaints Management Policy
- Consent to Use Copyright Material, Image, Recording or Name
- Excellence Contract (where applicable)

Physical activity and physical education, particularly contact sports, carry inherent risks of injury. Parents are advised that the Department of Education and Training does not have Personal Accident Insurance cover for students. Education Queensland has public liability cover for all approved school activities and provides compensation for students injured at school, only when the Department is negligent. If this is not the case, then all costs associated with the injury are the responsibility of the parent or caregiver. It is a personal decision for parents/carers as to the type and level of private insurance they arrange to cover students for any accidental injury that may occur.

I acknowledge that information about the school's current programs and services has been explained to me.
