Student Resource Scheme - 2026 Parent Information

The Principal and the Parents & Citizens Association of Southport State High Independent Public School are proud to be able to extend to you the opportunity to take advantage of the Student Resource Scheme.

This letter contains important information about the 2026 Student Resource Scheme, including how the scheme operates and the annual participation fee.

The purpose of the Student Resource Scheme provides parents/carers with a cost-effective alternative to purchasing textbooks and/or resources elsewhere.

What is provided by the Queensland Government?

The Queensland Government supports students' education by providing funding for:

- Instruction by teachers
- Facilities (school grounds, building, amenities, furniture, air-conditioning)
- Administration – staffing and resources to administer the operations of the school

Funding for schools does not extend to individual student resources such as textbooks, equipment for personal use, and many items used by the student in the classroom. Supply of these items is the responsibility of parents/carers.

The scheme ensures that students have the resources required for them to engage with the curriculum for their education, and saves parents/carers time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme.

The Student Resource Scheme is a cost-effective option for parents/carers to purchase the required items for their child's schooling.

The cost of not participating in the Student Resource Scheme can vary (starting at approximately \$500), depending on the elective subjects chosen. Please see our 2026 Resource List on the school's website.

The scheme will supply students with access to:

- School bucket hat for Year 7 only [Replacement Bucket Hat cost is \$15].
- Textbook hire for each subject.
- Class sets of general reading books including prescribed novels.
- Equipment hire – digital camera and audio visual equipment, including a wide range of industry standard software.
- Use of equipment, consumable materials and photocopies for a range of subjects across all year levels.
- Printed worksheets/handout/notes and equipment prepared by teachers.
- Software site licenses for school and home use.
- Materials for subjects where the instruction is extended through providing practical learning expenses in excess of materials provided by school grants.

The following items are NOT covered by the Student Resource Scheme:

- Laptops and iPads
- Stationery
- Year Book
- School Photos
- Excellence Program levies
- Subject levies
- Activities and non-curricular events, for example excursions, camps, sport, Formals and Year 12 Jersey.

Individual payments are to be made for these activities when they occur.

Student Resource Scheme Fees are \$400 for all year levels (to be paid by 26 February 2026).

Payment Arrangement

Several payment options including a single payment for the full year's fee or term instalments are available. An instalment plan can also be negotiated with the school. Please contact Finance on 5509 1222.

Payments can be split into 2 instalments:

Due date:	Amount:
9 October 2025	\$200
26 February 2026	\$200

Payment Methods

- The preferred method of payment is BPOINT – Online OR by telephone on: 1300 631 073.
- Internet Bank Transfer: BSB 064-430 (CBA) A/C 00090200 (Southport SHS General).

Financial Hardship

Parents/carers will be notified should their account fall into arrears. Student Resource Scheme - Participation Agreement Form

The Student Resource Scheme

The Student Resource Scheme (SRS) is a user-charging scheme operated by schools to provide parents with a mechanism to access individual student resources that are not funded by the government.

Government funding for schools does not extend to individual student resources and equipment for their personal use or consumption. Supply of these items, such as textbooks and personal laptops/iPads, is the responsibility of the parent.

The objective of the scheme is to provide parents a convenient and cost-effective alternative to individual supply of resources for their students. Participation in the SRS is optional, and no obligation is placed on a parent to participate.

Terms and conditions for participating in the scheme are provided on the reverse side of the form. Information is also provided on the Textbook and Resource Allowance (TRA) where applicable.

This Participation Agreement Form applies for the duration of a student's enrolment at the school, however parents who are participating in the scheme can choose to opt out from the SRS in future years by completing a new Participation Agreement Form. Any new Participation Agreement Form submitted annually and received by the school will supersede the previous form lodged.

Parents pay the annual participation fee in accordance with the selected payment arrangement. If a student joins the school mid-year, a pro-rata participation fee may apply.

Parents not participating in the scheme must provide their student with all items that would otherwise be provided by the scheme as detailed in the information provided by the school. Parents can choose to join the SRS in future years by completing a new Participation Agreement Form.

To assist schools in managing and administering the scheme, parents are requested to complete the Participation section of this form and return it to the school.

If parents have not completed and returned the form before the due date indicated by the school in the SRS Annual Parent Information documents, the school will take the view that the parent does not wish to participate.

Payment

On agreeing to participate in the SRS, a parent agrees to pay the participation fee as advised and invoiced by the school. For families experiencing financial hardship, please contact the school as soon as possible to discuss options available.

Participation

YES, I wish to participate in the Student Resource Scheme. I have read and understand the Terms and Conditions of the scheme (see reverse) and agree to abide by them and to pay the annual participation fee in accordance with the selected payment arrangement. I understand that I can opt out of participation in the SRS in any year by completing a new Participation Agreement Form.

NO, I have read the terms and conditions and I do not wish to participate in the Student Resource Scheme. I understand I must provide my child with all items that would otherwise be provided by the SRS as detailed in the information provided by the school. I understand that I can choose to join the SRS in future years by completing a new Participation Agreement Form.
