

Southport State High
INDEPENDENT PUBLIC SCHOOL

Year 7 Resource List 2026

INTRODUCTION

In accordance with the *Education (General Provisions) Act 2006*, the cost of providing instruction, administration and facilities for the education of students enrolled at state schools who are Australian citizens or permanent residents, is met by the State.

Parents/carers however, are directly responsible for providing textbooks and other resources for their children while attending school.

In recognition that these costs can be high, Southport State High School provides an optional service to assist parents with the costs of these educational resources, known as a *Student Resource Scheme* (SRS). The school SRS incorporates resources, texts and consumables.

Participation in the School Student Resource Scheme is strongly encouraged. The scheme provides outstanding value for money as the school purchases in bulk to secure the best prices which, in turn, enables the SRS fees to be kept as low as possible. Participation in the scheme provides access to textbooks, resources, computers, and other resources and consumables. A copy of our Fee Schedule can be found on our website www.southportshs.eq.edu.au.

All full-time and part-time students (with the exception of some international students) are entitled to a Textbook and Resource Allowance (TRA) to offset the cost of textbooks and educational resources. For parents/carers who choose not to participate in the SRS however, are entitled to have the allowance paid to them directly.

Should a family choose not to participate in the SRS, the parent/carer is responsible for purchasing and providing those resources for their child whilst they are a student at Southport State High School.

The purpose of this document is to outline the required resources for each year level. Indicative retail prices are also included to assist parents/carers in making an informed choice, should they be considering 'not participating' in the SRS.

We trust that the information provided in this document affords parents/carers the opportunity to make an informed choice that best meets the needs of their family.
