## Item 3: EQ ID

Every school student has an EQID. It consists of 10 numbers and one letter. You can find it on your child’s student ID card (the numbers under the barcode), report cards, or school invoices, among other documents.

**9** A final check is conducted at your child’s school. You will be notified by email when this check is complete and you will then have access to all of the features in QParents.

# Enjoy!
