## CREATIVE ARTS ACADEMY OF EXCELLENCE APPLICATIONS

### General Information

Students may apply to be a part of the Creative Arts Academy of Excellence Program. To be accepted into the program students must demonstrate a high level of ability in their chosen field with supporting documentation including both school reports and achievements outside of school in their chosen area.

### Expectations for all students in Creative Arts Excellence

- All students will participate in the school programs in the area/s for which they were accepted into the program.
- All students will follow all school rules and will represent Southport State High School in an exemplary manner both at school and in the wider community.
- All students will achieve a high B or above in their chosen area of expertise in the Arts to maintain their place in the Excellence Program (scholarship students are required to maintain A's for their scholarship to continue).
- All students will need to achieve an excellent rating for effort and behaviour in all subjects studied at Southport State High School.

### Creative Arts Scholarships

Students deemed as exceptional in their talents may be offered a scholarship. All scholarships are for one year and are reviewed at the discretion of the Principal. Scholarships can only be sustained throughout the year if the student has maintained their elite level both in school and through external opportunities.

### Agreement

The awarding of a place in the Creative Arts Academy of Excellence Program and/or a scholarship takes into account the audition process, supporting documentation, school reports and the interview process. The decision of the Principal, with respect to the awarding of places in the Excellence Program and awarding scholarships, shall be final and no correspondence will be entered into.
