Student Instructions

- Students are to select what pathway they would like to study, ATAR or Flexible. Students are to select only one pathway. This will be reviewed during SETP interviews and is only a preliminary selection.
- Students are to **only select one subject** on each line.
- Students must select one subject on each line and leave no line blank.
- Please refer to the Subject Selection Guide for more information on each subject.
- (G) refers to General subjects, (A) refers to Applied subjects (V) refers to Vocational Education subjects.
- Students cannot select Certificate II Engineering Pathways on line 4 and Certificate III in Fitness on line 5 as their elective choices due to a VETIS funding clash.
- Creative Industries (Arts) and Excellence (Sports) subjects on line 2 and line 5 are selective entry programs. Only students who are currently enrolled in these Year 9 subjects are able to select this subject.

Please be advised that depending on subject numbers students' subject choices may be subject to review or change due to a subject collapsing or reaching capacity.
