School overview

Southport State High is an Independent Public School specialising in secondary education that is focused on personalised learning for all students. Our school has a proud tradition of being a supportive and caring community that delivers outstanding educational training and opportunities for all students. We offer students the opportunity to accelerate, be challenged and to find a pathway that will ensure success. We develop and foster leadership and personal growth to complement the academic, artistic, technical and sporting opportunities that our school provides. Our engaging curriculum and dedicated staff have created a teaching and learning environment where each student will not only be supported to achieve the highest levels of success of which they are capable, but will also be encouraged to be responsible, thoughtful, honest, respectful and confident. Our strong business and university links, along with our community partners, provide a unique range of opportunities and pathways that enriches student development with real world experiences and connectedness. Positive relationships between parents, students and teachers are the foundations of a supportive learning environment that builds respect and allows students to be happy, to care about others, to expect greatness of themselves and lead to well-grounded and balanced lives.

School progress towards its goals in 2018

The 2018 Annual Implementation Plan detailed our school's strategic vision for the year. Our focus was to strengthen and intensify our commitment to the quality teaching and learning process through the refinement of pedagogy, and the enhancement of curriculum development and delivery, to maximise student engagement and achievement.

Goals:

Increase student outcomes and staff practice through the three School priorities of: Reading, Thinking and Problem Solving.

- 100% of students showing improved relative gain in level of achievement across all subjects
- Improved correlation of LOA for external assessment with LOA for internal assessment
- 100% of school leavers (year 13) engaged in employment or further training (Next Step Destination Data)

Reading:

Increase the percentage of students in upper two bands (U2B) in National Assessment Program – Literacy and Numeracy (NAPLAN) by 5% across all five domains;

- 100% of students at/above national minimum standard (NMS) in NAPLAN

Performance indicators below will be indicative of success across all priorities:

- 100% of staff engaged in HOD led systematic professional learning (including coaching, observation and feedback) through implementation of ASOT
- Increase rate of improvement for each student evidenced through improved level of achievement data.
- Improve student attendance
- Attain A – B level of achievement to 70%
- 100 % students and parents that believe their child is receiving a 'good education' (SOS)

Future Outlook

The 2018 Annual Implementation Plan highlights our strategic direction for the next 12 months. Our core objectives include:

- Innovate – Create an expert teaching team that improves teaching practices and student outcomes
- Cultivate – Cultivate a culture of community
- Generate – Prepare innovative, future focused, problem solvers that are equipped as learners with the skills for success in the 21st century

Progress made in implementing these strategies:

- The appointment of two Pedagogical Coaches and a Transition HOD to work with individuals and groups to implement a schoolwide pedagogical framework (ASOT) and improve practice around our Big 3 – Reading, Thinking and Problem Solving.
- Development of the schools reading, numeracy and thinking strategies
- Staff development and accountability by building a professional learning community (PLC) that includes:
 - Professional reading
 - Professional learning
 - Instructional leadership
 - Coaching
 - Intervention
- Systematic curriculum development and delivery to support student development and intervention to improve outcomes pertaining to:
 - Growth mindset
 - Literacy and Numeracy
 - Equipping students for success in new senior assessment and tertiary entrance system
 - Implementation of critical thinking framework
 - Building and programming of STEAM
- Implementation of high expectations culture

3. [pre-Prep](#) is a kindergarten program for Aboriginal and Torres Strait Islander children, living in 35 Aboriginal and Torres Strait Islander communities, in the year before school.

In 2018, there were no students enrolled in a pre-Prep program.

Characteristics of the student body

Overview

Southport State High School is a coeducational school which has a current trend of increasing in size and enrolments. There is a small gender imbalance (see above).

Average class sizes

Table 2: Average class size information for each phase of schooling

Phase of schooling	2016	2017	2018

- A full range of Academic options in Mathematics and the Sciences
- Marine Science (from our Marine Centre with direct access to water)
- An innovative Health and PE program which includes sports specialisation options in Basketball, Volleyball, Tennis, AFL, Soccer and Touch Football
- Integral Learning Support integrated program
- Special Education Program

Co-curricular activities

- Griffith University connections in Science and Engineering
- Excursions to Opera and live theatre, concerts, museums and art galleries
- A full sports program
- An annual Musical, Drama Festival performances, Dance Showcases, Art Expo and Film awards evening
- Opportunities to attend programs with motivational speakers and enjoy interaction with business and community leaders
- Visits to law courts, parliament, business and industry locations
- Marine studies and geography excursions to Heron Island, Stradbroke Island and many coastal locations
- Annual Ski Trip to New Zealand

How information and communication technologies are used to assist learning

Southport State High has an engaging curriculum and dedicated staff that have created a teaching and learning environment where each student has the opportunity to use the latest in technology to improve performance. Improvements and developments in technology have included:

- We are a BYOD school that has been awarded Apple distinguished school accreditation. All of our teachers use iPad Pro's to deliver lessons and our curriculum is available 24 hours, through The Learning Place.
- Junior Secondary Year 7-9 Apple IPAD 1 to 1 program for all students
- Senior Secondary Year 10 - 12 specialised BYOD laptop program established
- A refurbished media and music centre provides access to the latest production and editing technology
- Extensive use of graphics calculators and the introduction of new software and web based support programs (Mathletics) in Mathematics and Science has seen improvements in student results
- The introduction of an online assessment calendar that can be accessed via the school's website has provided vital support and communication for parents and students
- Student device ratio is 1:1 for Years 7-12

Social climate

Overview

Our school focuses on employing expert staff and programs to support the continued development of each student. We also provide extensive structures and processes to contribute to their welfare. Upon enrolment students are introduced to a variety of support networks that are designed to contribute to a positive introduction to Southport State High Independent Public School.

A strong emphasis is placed on building positive relationships between parents, students and teachers to provide the foundation of a supported learning environment that builds respect and allows students to be happy, to care about others, to expect greatness of themselves and lead to well-grounded and balanced lives.

At Southport State High Independent Public School, each teacher works closely with the Dean of Students and an extensive Support Services Team whose role is to provide extra support for both teachers and students. Curriculum Heads of Department along with Deputy Principals, Principals and the Executive Principal compliment the outstanding support networks for our school community.

Included in our student welfare program is a focused and detailed whole school Health and Wellbeing program that focuses on various issues and topics aimed at improving the development of all students.

A strong and united Support Services Team ensures a strong focus and commitment to student welfare and wellbeing. Our team consists of:

- Guidance Officers x 2
- Deans of students x 6
- School Based Police Officer x1
- School Nurse x 1
- Indigenous support worker x1
- HOD TORO x 1

Parent and community engagement

Positive relationships between parents, students and teachers is the foundation of a supportive learning environment. We encourage parent participation, communication and support to improve student outcomes and performance through;

- Phone or E-mail including text messaging student absentee notifications daily
- Formal individualised reporting 4 times per year
- A formal letter system that informs parents about performance, behavior and effort
- Meetings of the Parents and Citizen's Association. These meetings are held on the second Monday of every month (they are short, informal, not focused on fund raising and volunteering)
- Regular discussion nights, forums and information sessions throughout the year
- Parent teacher conferences are held twice each year. Requests can be made at other times for personal conferences with teachers when needed
- Support Services conferences
- Deans of Students, Heads of Department, Deputy Principal and Principal conferences
- On-line newsletter which is published every fortnight
- Celebratory events such as awards, performances and leadership ceremonies, which are held each year
- An informative and up to date Website designed to improve communication with members of the wider school community

Respectful relationships education programs

The school has developed and implemented a program/or programs that focus on appropriate, respectful, equitable and healthy relationships.

School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2016	2017	2018
Short suspensions – 1 to 10 days	317	305	364
Long suspensions – 11 to 20 days	19	45	83
Exclusions	16	20	30
Cancellations of enrolment	32	20	11

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns.

The school is working hard to reduce its environmental and our carbon footprint. With the addition of new and improved technology the challenge has been to minimise the impact on the environment.

The following initiatives outline how we at Southport State High Independent Public School have researched, recognised and supported improving our environmental footprint:

- Solar panning in our Discovery Science Centre and Information Design and Technology Buildings
- New energy efficient light globes have been installed in all new classrooms
- Water tanks are fully operational in the Discovery Science Centre, minimising the impact of water consumption of the region
- Recycling of all suitable waste products
- Minimising the use of printing on paper (paperless where possible)

Table 7: Environmental footprint indicators for this school

Utility category	2015–2016	2016–2017	2017–2018
Electricity (kWh)	643,952	744,014	670,634
Water (kL)	9,613	16,548	19,030

Note:

Consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enforcing Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism.

At Southport State High, attendance of students is of paramount importance. The school has strict policies and procedures in supporting students who are absent from school. The following outlines steps that are taken to minimise student absenteeism;

- Student attendance is recorded each morning through roll marking processes conducted by TORO Teachers
- Parents are required to inform the school of any absence for the day
- Text messages are sent to parents of all students who are absent from TORO and any other classes throughout the day and have not informed the school
- Students are required to provide a note on return from absence if parents have not informed the office
- Teachers mark rolls for each lesson online and report all absent students to the Attendance Officer
- Deans will communicate with parents about any continued absence of students
- Heads of Department and Deans of Students will communicate with parents to address continued or unauthorised absences
- Deputy Principals/Principals will communicate with parents of students displaying severe cases of absenteeism.

Our school provides a small number of Certificate One courses. These are offered at the school level and are the building blocks for more rigorous training after Year 12 studies. These courses are not offered higher than certificate one due to the high cost of infrastructure needed for higher levels of certification to be awarded.

These include:

- Certificate One in Building and Construction
- Certificate One in Engineering
- Certificate Three & Four in Fitness

Notes:

1. The apparent retention rate for Year 10 to Year 12 = the number of full time students in Year 12 expressed as the percentage of those students who were in Year 10 two years previously (this may be greater than 100%).
2. *Indigenous* refers to Aboriginal and Torres Strait Islander people of Australia.

Student destinations

The Queensland Department of Education conducts [annual surveys](#) that capture information about the journey of early school leavers and Year 12 leavers from school to further study and employment.

Early school leavers

The destinations of young people who left this school in Year 10, 11 or before completing Year 12 are described below.

We have a management plan around all students who leave Southport State High Independent Public School before the completion of Year 12 studies. On exit all students complete a clearance form which provides vital information including the reasons why students may be exiting early and their proposed destination.

Students in the Senior School who exit early are usually ready for the workforce or have been supported by the school in locating targeted training for a specific trade, job, traineeship or apprenticeship. In most cases, students leave with a minimum Certificate 2 or 3.

Students in our middle school who exit early are usually leaving due to family reasons and a large percentage of these students are relocating to interstate destinations.

Next Step – Post-school destinations

The results of the 2019 Next Step post-school destinations survey, *Next Step – Post-School Destinations* report (information about students who completed Year 12 in 2018), will be uploaded to this school's website in September 2019.

To maintain privacy and confidentiality of individuals, schools with fewer than five responses will not have a report available.

This school's report will be available at <https://southportshs.eq.edu.au/support-and-resources/forms-and-documents>
